

What Others Are Saying

**"The outfit and the shoes are perfect!
Thanks so much for taking that off my
plate!"**

Annie Groth, CFBS
Financial Services Professional

**"I have always been a "Fashionista."
Everyone always raved about the way I
dressed and how nice I looked. That is,
until I hit menopause. When my body
made "un-authorized" changes, I didn't
know how to dress anymore. Every time
I went shopping, I left the stores with
very little clothing and even less
self-esteem.**

**In a matter of days Deborah had found
three complete outfits that look
FANTASTIC on me and I FEEL great in my
clothes for the first time in years! Did I
mention that I HIGHLY recommend
her?"**

**"I met Deb and knew immediately I
needed to work with her. She was able
to understand me and find the right
clothes and accessories to upgrade my
look yet maintain my personal style.
Now, when I speak in front of groups
I can focus on my content, knowing
that she has put together my "look."
She truly has a gift!"**
